

**HISTORICAL ARCHAEOLOGY**  
**Graduate Seminar**  
**ANG 5172 (ANT 4930)**  
**Fall 2015**

**Class Room:** Turlington 1208H

**Time:** Tuesday – 3:00 pm to 6:00 pm (8-10 periods)

**Instructor:** James M. Davidson, Ph.D.

**Office:** Turlington B134

**Email:** davidson@ufl.edu

**Office Hours:** Mondays: 3-5 pm; Tuesdays: 1-3pm (and by appointment)

**Course Description and Objectives:** The seminar's goal is to provide a solid background in the field of historical archaeology. We will establish the basic history of the discipline, from its birth in the 1930s, to its identity crisis in the 1950s and 1960s, to the present day. Along with more theoretical papers, specific case studies will be used to address a variety of topics such as Material Culture, Artifact Patterning, Consumerism and Socioeconomics, Ethnic Identity, Ideology, etc. Our view of Historical Archaeology will be both particularistic and global.

**Required Readings:**

1. Orser, Charles E. Jr.  
1996 *A Historical Archaeology of the Modern World*. Kluwer/Plenum.
2. Leone, Mark and Parker Potter (editors)  
1999 *Historical Archaeologies of Capitalism*. Kluwer/Plenum.
3. Schuyler, Robert L. (editor)  
1978 *Historical Archaeology: A Guide to Substantive and Theoretical Contributions*. Baywood Publishing Co.
4. Electronic documents, comprising key articles and book chapters, will be posted and downloadable as pdfs from a university website.

**Grade Percentile breakdown:**

A (93-100%); A- (90-92%); B+ (88-89%); B (83-87%); B- (80-82%); C+ (78-79%)  
C (73-77%); C- (70-72%); D+ (68-69%); D (63-67%); D- (60-62%); E (59% or below)

**Attendance:** Regular attendance and participation in class discussions is a requirement. Students are expected to have read the material for that day, and come to class prepared to discuss the readings.

**Synopses of Readings/Two Exercise or Reaction Papers:**

For some key readings, a synopsis (i.e., a critical summary) not to exceed a half page in length for each reading) will be required and due at the beginning of each class, before we begin the discussion. Readings requiring synopses are marked with a bold, underlined **X** at the end of each citation.

Two smaller paper assignments, on specific readings, will range from 5 to 10 pages each. Their topics and due dates will be scheduled later in the semester.

**Team Discussion:**

Each week, one student will help lead class discussion. Each discussion leader will be expected to organize readings and to prepare a list of questions/points of discussion. This aspect of class participation constitutes a substantial portion of the grade (10%).

**Research Paper:**

One major research paper will be due at the end of the semester (15 to 20 pages). Each student will choose the individual topics of the paper, after consultation with me. It could involve original research, an analysis of an existing dataset, or a comparison of two or more papers, sites, or theories. Time permitting, each student will be present his or her work to the class, during the last week of the semester.

**Accommodating Students with Disabilities:**

Students requesting classroom accommodation must first register with the Dean of Students Office. The Dean of Students Office will provide documentation to the student, who in turn must provide this documentation to me when requesting accommodation.

**Academic Honesty:**

The University reminds every student of the implied pledge of Academic Honesty: “on any work submitted for credit the student has neither received nor given unauthorized aid.” This refers to cheating and plagiarism. Consult the Student Guide at [www.dso.ufl.edu/stg/](http://www.dso.ufl.edu/stg/) for further information. To avoid plagiarism, you must give credit whenever you use another person’s idea, opinion, or theory; any facts, statistics, graphs, drawings (any pieces of information) that are not common knowledge; quotations of another person’s actual spoken or written words; or paraphrase of another person’s spoken or written words. Students caught cheating will be referred to the University administration for disciplinary action, the consequences of which can include failure of this course, and possible expulsion from the University.
