

ANT 4525 - Human Osteology

Section 2452 Instructor: Dr. David Daegling (daegling@ufl.edu)
Section 4166 Instructor: Amanda Friend, M.A. (afriend@ufl.edu)
Class Meeting Time: MWF Period 3 (2452) MWF Period 4 (4166)
Classroom Location: Turlington Hall, 1208J (Osteology Laboratory)
Spring 2017 TA: Sarah Zaleski, M.A. (sarahzaleski@ufl.edu)

Dr. Daegling Office Hours: M 10:30-11:30am; W 1-3pm
Amanda's Office Hours: R 1-4pm held in the Osteology Lab
Sarah's Office Hours: T 9am-12pm held in the Osteology Lab

Dr: Daegling's Office: Turlington Hall B376
Amanda and Sarah's Office: Turlington Hall 1350C

Course Description:

This course introduces the methods and concepts used in the analysis of human skeletal remains in forensic and archaeological contexts. The skills learned in this course provide a basis for more advanced studies in bioarchaeology, forensic anthropology, paleoanthropology, and paleopathology. The course will consist of two hours of lecture per week and independent study laboratory time, during which time students will learn: 1) how to identify whole and fragmentary human skeletal elements, 2) how to distinguish between human and non-human bone, and 3) how to estimate age, sex, ancestry, and stature of an individual.

Success in this course usually requires at least 20 hours per week of independent study time in the laboratory in preparation for the quizzes. Performance on the lab practical quizzes is generally related to the amount and quality of your independent study. Please evaluate your schedule to decide if you can fully commit to this class.

Texts:

Required:

White TD, Folkens PA (2005) *The Human Bone Manual*. Academic Press.

Recommended:

Bass, WM (1995 or 2005) *Human Osteology: A Laboratory and Field Manual*. Missouri Archaeological Society.

Buikstra JE, and Ubelaker D (1994) *Standards for the Data Collection from Human Skeletal Remains*. Fayetteville, AR: Arkansas Archeological Survey.

White TD, Black MT, Folkens PA (2011) *Human Osteology*, 3rd ed. Academic Press.

Additional materials will be posted online via the Canvas platform (lss.at.ufl.edu). The course page contains all pertinent information for the course, including syllabus, handouts, and grades.

Course Requirements:

There will be thirteen (13) cumulative practical quizzes (100 points each; lowest grade is dropped), and one (1) cumulative final practical exam (200 points), for a total of 1300 points possible for this portion of the grade. Quizzes and exams will involve the identification of fragmentary skeletal remains, anatomical features, as well as more detailed short-answer questions. The format for quizzes and the final exam will be discussed the first day of class. Quizzes may not be retaken, but the **lowest quiz score will be dropped at the end of the term**. The grade for the final practical exam **cannot** be dropped. Students in this course are also expected to keep a notebook with drawn, annotated skeletal elements and notes from throughout the course (200 points). Guidelines and grading criteria will be posted on Canvas. This notebook is due on the day of Quiz #13 (4/14) and returned on the last day of lecture.

Grading:

Raw scores of all the quizzes (minus the lowest quiz score) will be added to the raw score of the final exam, and then divided by the total points possible (1600 points: 1200 quiz points [1300 minus the 100 from the lowest dropped score] plus 200 possible final exam points plus 200 possible notebook points). *No extra credit will be given*. Final grades are determined according to the following scale:

A	≥ 92.50%	C	72.50% - 76.49%
A-	89.50% – 92.49%	C-	69.50% - 72.49%
B+	86.50% – 89.49%	D+	66.50% - 69.49%
B	82.50% - 86.49	D	62.50% - 66.49%
B-	79.50% - 82.49%	D-	59.50% - 62.49%
C+	76.50% - 79.49%	E	≤ 59.49%

Other Policies:

Cell phones, iPods, and all other mobile device must be turned off during class. The use of recording devices is prohibited except with prior Instructor permission.

Students are expected to attend all lectures with assigned readings completed. **No lecture notes or PowerPoint slides will be distributed, under any circumstance.** If a student is unable to attend class, it is **the student's responsibility** to get the notes from a classmate.

Plagiarism or cheating in any form is subject to university policy as outlined by the Dean of Students (<http://www.dso.ufl.edu/sccr/process/student-conduct-honor-code/>).

Students requesting classroom accommodation must first register with the Dean of Students Office (<http://www.dso.ufl.edu/drc>). The Dean of Students Office will provide documentation to the student who must then provide this documentation to the instructor when requesting accommodation. This documentation must be presented to the instructor by the end of the second week of classes, in order for accommodations to be made within a timely manner.

Quizzes and exams missed due to a documented illness or emergency may be rescheduled; however, **72 hours prior notice** must be given to the Instructor, and documentation must be supplied. In the case of unexpected emergencies, the Instructor still must be notified prior to the absence, and the student must provide documentation **within 72 hours**.

The following rules constitute a contract between student and Instructor. Your signature below represents your commitment to upholding this contract, and your understanding that failure to do so will lead to point loss and/or dismissal from the course.

Please print, read and sign this page. Turn it in to the Instructor by the date noted on the schedule. Failure to turn in a signed form will result in loss of Osteology Lab privileges.

Rules for the Osteology Laboratory (Turlington Hall 1208J):

- The room is to remain secure at all times. Access is controlled by a keypad entry lock; students in this course will be granted access (first 6 digits of UF ID, then press the star key). Lock the room if you are the last to leave – even if you only leave briefly. **If the room is found unlocked, the last student to use the keypad will be penalized.**
- Visitors are not allowed in the lab at any time. NO EXCEPTIONS!
- No specimens are to leave 1208J Turlington Hall (Osteology Laboratory).
- Food and drink are prohibited in the laboratory.
- Photography of course materials or skeletal remains is strictly prohibited.
- The teaching laboratory is not a social center. Be respectful of other students' study time.
- Be respectful of all Anthropology Department staff and other Turlington Hall staff.
- Osteology students are restricted to specimens in the plastic boxes on the back wall of the teaching laboratory, and to any additional materials provided by the Instructor.
- Above all, please remember that all skeletal remains, laboratory equipment, and other teaching materials are to be treated with the utmost respect.

Transgression these rules will lead to point loss and/or dismissal from the class.

I _____ (print name) certify that I have read the above rules and understand that failure to comply will lead to point loss and/or dismissal from the course.

Spring 2017 Course Outline and Lecture Schedule:

Month	Date	Day	Lecture Topic	Required Reading (White & Folkens 2005)
Jan	4	W	Course outline and expectations Drop/Add	Ch 1; Ch 3
Jan	6	F	Anatomical terms, joints, & muscles/ Human vs. Non-human remains Drop/Add	Ch. 6; Online handouts
Jan	9	M	Bone biology and development Drop/Add	Ch 4 Signed Form Due
Jan	11	W	Bones of the skull	Ch. 7
Jan	13	F	QUIZ #1	
Jan	16	M	NO CLASS	
Jan	18	W	Bones of the skull (cont.)	Ch. 7
Jan	20	F	QUIZ #2	
Jan	23	M	Skull: foramina and nerves: craniometrics	Online handouts
Jan	25	W	Dentition	Ch. 8, online handouts
Jan	27	F	QUIZ #3	
Jan	30	M	Vertebral column	Ch. 9; Ch. 14 (241-245)
Feb	1	W	Vertebral column (cont.)	Ch. 9; Ch. 14 (241-245)
Feb	3	F	QUIZ #4	
Feb	6	M	Ribs and sternum	Ch. 10
Feb	8	W	Clavicle and scapula	Ch. 11
Feb	10	F	QUIZ #5	
Feb	13	M	Upper limb – humerus, radius, ulna	Ch.12; online handouts
Feb	15	W	Upper limb – humerus, radius, ulna (cont.)	Ch.12; online handouts
Feb	17	F	QUIZ #6	
Feb	20	M	Hand – carpals, metacarpals, phalanges	Ch. 13
Feb	22	W	Hand – carpals, metacarpals, phalanges	Ch. 13
Feb	24	F	QUIZ #7	
Feb	27	M	Os coxa	Ch. 14 (246-253)
Mar	1	W	Lower limb – femur, tibia, fibula, patella	Ch. 15; online handouts
Mar	3	F	QUIZ #8	
Mar	6	M	SPRING BREAK	
Mar	8	W	SPRING BREAK	
Mar	10	F	SPRING BREAK	
Mar	13	M	Lower limb – femur, tibia, fibula, patella	Ch. 15 online handouts
Mar	15	W	Foot – tarsals, metatarsals, phalanges	Ch. 16
Mar	17	F	QUIZ #9	
Mar	20	M	Biological Profile: Sex	Ch. 19
Mar	22	W	Biological Profile: Ancestry	Ch. 19

Mar	24	F	QUIZ #10	
Mar	27	M	Biological Profile: Subdult Age	Ch. 19
Mar	29	W	Biological Profile: Adult Age	Ch. 19
Mar	31	F	QUIZ #11	
Apr	3	M	Biological Profile: Stature	Ch. 20
Apr	5	W	Taphonomy	Online handouts
Apr	7	F	QUIZ #12	
Apr	10	M	Trauma	Online handouts
Apr	12	W	Pathology	Ch. 17
Apr	14	F	QUIZ #13 & Notebook Due	
Apr	17	M	Forensic Anthropology and Bioarcheology	
Apr	19	W	Open Lab – Review (Notebook Returned)	
			Cumulative Final Practical Examination TBA	

*****NOTE:** Exact dates for lecture topics are subject to change with prior notification. All quizzes will be held as scheduled.***
