Please bring the Departmental Record of Committee Activity to the Graduate Program Assistant in 1115 Turlington when it has been completed. Email from prospective committee members may serve in lieu of signatures on the form.

If you wish to add someone to your committee who does not have Graduate Faculty status at UF, please contact the Graduate Program Assistant in 1115 Turlington Hall or call 352-392-2253, extension 207. That person will serve as a Special Member and is in addition to the usual committee members. There is additional paperwork to appoint a Special Member.

Any committee changes should be made in consultation with the committee chair. Students should speak personally with any member being removed from the committee and obtain their written acknowledgement. The Graduate Coordinator should approve any chair changes. No official changes can be made that leave your committee incomplete. If students cannot form and maintain a supervisory committee under the guidelines stated in the Graduate Catalog, they are deemed to be making unsatisfactory progress and their enrollment in the program can be terminated by the Chair of the Department, with the concurrence of the Chair of the Supervisory Committee and the Graduate Coordinator.
