

Undergraduate Video Competition for Anthropology Majors

Make a video explaining *either* why anthropology is an important major *or* what you love about anthropology at the University of Florida, and you could win \$50 and have your video shown on the department's social media accounts. Videos should be less than two minutes and all material must be original! The department will pick four winners who will each be awarded \$50 (teams will split the money).

Email your completed video to Pat King at aok@ufl.edu no later than May 1 at 11:59 pm.

Email questions to Chris LeClere at cleclere@ufl.edu.
