CERTIFICATION INTO THE DOCTORAL PROGRAM

Certification into the Doctoral program following successful completion of the MA degree requires approval from the chair and all members of the MA supervisory committee. This is typically done following completion of the MA degree requirements (comprehensive exam plus completion of the thesis or publishable paper).

Student Name _____

Certification by the MA Committee: By signing below, the committee chair and each committee member indicates approval for certification. If you do not approve, do not sign this form.
