

**Teaching and Learning in Việt Nam,
the People's Republic of China, and
the United States**

Clare Boulanger

Thur Feb 7, 2019

3pm

Marston L136

The American anthropologist who teaches in Asian universities will of course be treated to a rich cross-cultural experience, but any anthropologist will tell you that what is equally of benefit is the extent to which this experience helps her to develop a new view of her *own* culture. In this talk

Dr. Boulanger will look back on her years of teaching at universities both here and abroad, and offer some thoughts on how higher education has changed and is changing.
